2018 APSARD Annual Meeting

January 12-14, 2018

The Washington Marriott Wardman Park
Washington, D.C., USA

Dear Colleagues,

The APSARD Annual Meeting is an important venue for the presentation of critical information on ADHD and Related Disorders including appropriate diagnosis and assessment, current, as well as emerging, treatment paradigms and updates in science and technology advances. It is known as a meeting which brings together multidisciplinary specialists in a collaborative atmosphere, to discuss practical, applied approaches to the management of ADHD in the real-world setting. The 2018 Annual Meeting, January 12-14, 2018, will focus on the scientific basis of ADHD and its treatment, including tactics and approaches that support improved care and treatment of the patient with ADHD for the complex patient, college age patient, as well as ADHD in diverse populations. The meeting will provide clinicians with specific, practical information for appropriate diagnosis, assessment and treatment of ADHD in diverse setting and populations. Most importantly, the scientific basis that underlies the diagnostic and treatment approaches advocated will be highlighted. We welcome your participation and support.

Yours Sincerely,

Jeffrey Newcorn, M.D.
